Getting Started

Step 1

In your browser, go to:
bit.ly/SDbyocStudio
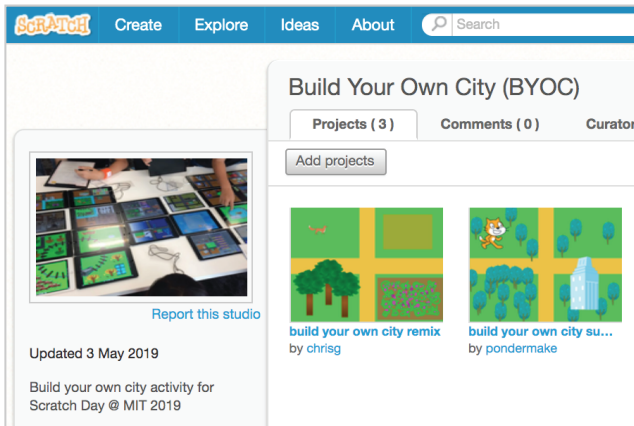

Step 2

Open the starter project called "City Template"

Adding Your Project

Step 1

Click "Share" on your project. If you don't have an account, you can make one or use ours.

Step 2

Go to bit.ly/SDbyocStudio and click "Add projects"

Build Your Own City!
Activity Ideas

Who lives in your neighborhood?

What do their homes look like?

What season is it?

**What's the weather like?
Is it raining, snowing, or sunny?**

How do people get around?

**Can you make one character travel
to another neighborhood?**

**Do the plants grow?
Do the buildings change?**

What food do they eat?
